PRODUCT BESCHRIJVING

Fill up quickly with energy and serve lunch from this handy food can. Crush-proof stainless steel design with double wall copper vacuum insulation that keeps your food hot for 6 hours and cold for up to 24 hours. Equipped with a foldable spoon in the lid. The lid keeps tight without leaking and the wide opening makes it easy to eat, fill up and clean the can after use. The silicon seal keeps the food fresh and the electroplated finish ensures that the can doesn't give off or absorb any taste.
