PRODUCT BESCHRIJVING

Thin, ventilated protective gloves designed for all-round gardening and forestry work in warm and dry weather. The palm of this working glove is made of breathable, quick-drying synthetic leather, which provides good grip, while your inner hand is protected by shock-absorbing padding. The index finger has a touch screen-friendly knuckle so you can use your smartphone with your gloves on. This protective glove is easy to hand-wash and stubborn dirt such as resin can be easily removed. Fulfil EN 388:2016. Size 7-10.
