PRODUCT BESCHRIJVING

Husqvarna ST 230 has been developed for homeowners who need a high-performing snow thrower to clear snow from large driveways to pathways. It works regardless of surface type thanks to the adjustable skid shoes. Husqvarna ST 230 has been designed for use in all snow conditions. It has an efficient two-stage system with high throwing capacity. The unit has industry exclusive 4-step height adjustable loop handles for optimal comfort. Friction-disc transmission, power steering and wide tires

ensure extra smooth operation. Features LED headlight and electric starter making the ST 230 one of the best Sneeuwblazers around for tackling the winter weather.
