PRODUCT BESCHRIJVING

Highly comfortable and low-weight protective boot for use in all weather conditions. Well-designed heel construction, higher, stable upper part with soft inside for comfort. The Vibram sole offers excellent grip in cold, wet and slippery conditions and the shock absorbing middle sole makes the boots gentle to the feet during long working days. The boots are made from leather with a Sympatex membrane, a water repellent and breathable, high-quality material. With extra padding around the ankle, heel and top, plus a steel top cap and removable and washable foot bed. The lower part of the boot is reinforced with rubber for extra protection. Pull strap on tongue and back and locking hooks/roller hooks for easy adjustment and handling of the shoes. Fulfils EN 17249:2013 level Class 2 (24 m/s). Sizes 36 – 48.
